

the U.S. Air Force during the Korean war. But Herb was more than a distinguished Member or colleague, he was a dear and personal friend.

I am honored and grateful to have had the opportunity to have known Herb Bateman. Herb and his wife Laura have been great personal friends to my wife Emilie and me and Laura continues to be a close friend. It is always sad to lose someone from the Congressional family, but Herb will be remembered for his accomplishments and leadership, but most of all for his friendship. We have lost a great friend and leader.

Herb was a highly respected Member of the House of Representatives. While I am saddened by his passing, his extensive contributions to Virginia, this Nation, and the fond memories that I have of our friendship will live on forever. That is why, I am pleased to speak today in support of this resolution.

Mr. SCHROCK. Mr. Speaker, it is my pleasure to rise today in support of H.R. 1749, which will honor our good friend, Congressman Herb Bateman. For eighteen years, Herb served Virginia's first district, which he faithfully referred to as 'America's First District.' Herb was a public servant in the truest sense, and was a devoted friend to America's armed forces.

For more than 30 years of public service in both the Senate of Virginia and in this body, Herb reminded us of the need to sustain America's military superiority. As Chairman of the House Armed Services' Subcommittee on Readiness, he was dedicated to the task of keeping America's forces reactive and able to respond with speed and force. We hope that the American military is never forced to prove its strength, but as we have seen over the past few days, America's military is strong, and it is able to respond, both quickly and powerfully when needed. We have Herb to thank, in part, for this sustained strength. He fought relentlessly to build America's Navy and to adequately train America's servicemen and women before sending them into harm's way in today's changing face of combat.

We all lost a good friend last year, when Herb passed away near the end of his final term in the House. His legacy lives on with his wife Laura, their children, and the facility we are naming today. The Herbert H. Bateman Post Office Building will remind us of Herb's service, his friendship and of the lessons he taught us during his time in Congress.

I thank the gentlelady from Virginia for sponsoring H.R. 1749, and I urge passage of this legislation.

Mrs. JO ANN DAVIS of Virginia. Mr. Speaker, I yield back the balance of my time.
